Exten DT²

OMT Meeting: 29 November 2024
WP2-WP9 Updates

WP2: The Exten.(D.T.)^2 Framework Progress/Updates:

Same information as in the previous OMT meeting:

- **Updated Framework and Guidelines** → see the process, data analysis and this version in the WP2 folder in Drive

- **Information and materials shared for**:
  - Stakeholder consultations all have to do until February 2025
  - Dissemination materials for the framework for all activities

- → **Information on how to do the consultations, materials to use and how to report them:**
  1) Sent in an email on 17/10/2024 from Feiran
  2) All are in the shared folder for WP2 in Drive
  3) In the "actions and to do for Year 3, with links you can click on

- Video and materials for WP2 will be included in the OpenCourse and will be uploaded in the Youtube channel

- Note that at the end of the presentation for dissemination there is a **short survey** for quick feedback on the framework

New information:

- We have conducted so far from NTNU consultations with 17 participants

- Started drafting the deliverable with work already completed (i.e., the first round of collecting feedback and building the current version of the Framework and guidelines)

- For partners: please contact us if you need any help

WP3: November Progress and Updates

- Sagun and the teacher at Bow Brickhill School in Milton Keynes have co-designed an activity plan on 'Climate change, its causes and consequences' and set up activity cards on Exten.(D.T.)^2 platform

- Y3 intervention will begin at Bow Brickhill on 10th 12th and 16th December

- Sagun is in communication with a teacher at Birchgrove Comprehensive School, Wales who has shown interest to implement project

- Chasing personal teacher contacts at schools near the Open University

WP4: Updates / To Do

Learning Tools (NKUA):

- Working on having stable versions and fixing bugs in the learning tools
- SORBET: added voice commands for the density of falling objects
- Stabilized tier 1 and tier 2 [versions](#)

LA:

- Updating the events collection by LA (add data collection from extended features of the tools) (NKUA, LNU)
- Cleaning up the test LA data (SIMPLE)

Dashboard (LNU):

- The feedback about the concept and user interface for the dashboard from the study are under analysis (SIMPLE, OU,NKUA,LNU)
  - The concept and the user interface for the dashboard will be refined with the deadline 10 January 2025.

- 3 tiers of technology defined [here](#) (WP4 folder)
- Teachers' evaluation toolkit workshop with TCD-done by one of our teachers (WP7)
- Met with UGent regarding the co-creation planet website (WP3)

Reminder:

- Update the [School Interventions Excel](#) !!!!
  - We need an estimation of students/schools **before Christmas**
- Upload your activity plans [here](#) **before 31/01/2025**

To Dos

- Network of schools - create a social teacher group (google classroom? other ?)
- Alignment of the nQuire - word versions of the AP (Contact with OU)

WP6: Updates

Professional Development

- Developing academic PD (February 2024)

School Interventions

- 1 intervention started (29/11/2024): 30 students, 5 x 3h sessions, ChoiCo
- 5 others planned/under development (start January 2025) (approximately 170 students, ChoiCo + Sorbet)

Supporting Material

- Further development co-creation planet, specifically for supporting academic PD (February 2024)

WP7: Updates

Task 7.5 Development of Cycle 3 Toolkit
- Links for Y2.5* surveys circulated to those who requested them (Ilse and Sagun) (Please contact Richie if you need guidance)
- *Y2.5 surveys intended for those conducting interventions before January*
- Validation of Y2 surveys near completion – to inform Y3 surveys in December

Task 7.3 Teacher's Evaluation Toolkit
- 2 co-design workshops conducted on 20th and 21st November attended by 5 teachers (2 x Sweden, 1xNorway, 1xIreland, 1xGreece)
- Teachers provided insights into how they currently assess Design Thinking, and what kind of assessment tools they would like to see in a 'toolkit'
- A draft report of the workshops with some suggested assessment tools is currently being drawn up for partners and teachers to review
- Will be shared with partners week of 2nd of December

WP8: November 2024 Updates

Booster Application:

- 2 Meetings with Marco Liviantoni and his colleague:.
- Attended by Eileen and Sagun
- Aim to get support to design and execute dissemination plan
- Identified the key exploitable result, based on which they will suggest experts we will work with
- Will begin this from 11 December

Roadmap for publications will be discussed in a meeting scheduled on 11 December

Meeting scheduled with Johan Van der Meulen, 8D games on 11 December (the same day) to discuss potential collaboration

Pilot of the Open Learn Create course:
- Only 2 participants from the UK as of now,
- Request to partners to reach out to other potential participants to have at least 2 participants from each location

A request to partners to fill in the details in the project dissemination log:
https://docs.google.com/spreadsheets/d/1dY063q-GuIfrVW_eiUMBj-8q0bLWCXnlEecJgtqyY_U/edit

WP9: Updates

- EAB met 12th Nov
  – Two issues raised (LA personal information and SorBET APIs)
  – Both resolved without needing additional actions

- Any queries/questions to take up: contact Jake
