

International Forum for Peer Learning and Support 2025

The Association for Peer Learning and Support, and the European Centre for SI-PASS, are delighted to invite you to this in-person conference in Cardiff.

By attending this event, you will join like-minded practitioners and students for stimulating sessions, debates and discussions about many aspects of peer learning and peer support.

To sign up, access the registration form below. Please consider submitting a proposal to present a session on an aspect of your peer practice or to run a live workshop that will enable delegates to gain insights and develop particular skills. More details about the presentation formats are in the 'Call for Contributions Form'.
